SUMMIT

Student Camp

Good Morning Youth Leader!

It's a beautiful day, the sun is shining, the mountains are covered with snow and your students are planning their next boarding trip this week-end...all the while, summer is looming big and bright right around the corner.

Yes that's right its time (almost past time) to start thinking about float trips, missions trips and CAMP! While I might be able to help you with a speaker for your next float trip (hint, hint) I can definitely help make your summer camp experience a good one.

Summit Student Camp has added a week this year! Summit will be held our 'traditional' week July 19-23 and we have added June 28-July 2. Now you have two options for Summit Camp. Summit 2010 pricing has not changed from last year: Early Bird pricing is still only \$215.00 per person!

The goal of Summit Student Camp is to bring quality relevant camp experiences that give students and leaders alike the opportunity to SEE God through nature, HEAR God through His Word and challenge them to LIVE God's call in their lives.

Wow! How do I get in on this great deal? Simple, return the enclosed Quick response form with your deposit of \$500.00 or go online to www.SummitStudentCamp.org to register by credit card and you're in! Yup that's right, your deposit secures not only 5 camp registrations BUT the early bird pricing for your *entire group* until the final deadline! **AS AN ADDED BONUS!** The first 50 groups to register will receive an EVERFOUND CD for the group leader as a free gift! Use this for camp promotion, as a giveaway or just to relax and unwind on your way home from your last all-niter.

Enclosed you will find:

- Your quick response form to fill out and send back
- A Summit poster for you to customize with the date you are going*
- A promotional flyer for you to hand out to your students or leaders*

**artwork available for download online*

You can find more information about Summit Student Camp, our speakers, the band and some promotional 'stuff' on our web page: www.SummitStudentCamp.org or you can simply call Kris @ 888.771.2480 ext. 228

Looking forward to a great Summit season in 2010!

Mike Gaines
